

INNOVATIVE CABLE MANAGEMENT FOR THE MODERN WORLD

Solutions by Legrand

Outdoor Ground box

Legrand's Outdoor Ground Box delivers safe, permanent power to any outdoor space. The durable in-ground box has been tested to ensure safe operation in any weather condition- all year round. Perfect for commercial settings, the Outdoor Ground Box conveniently provides power, communications, and A/V while seamlessly blending into any landscape.

Outdoor Charging Station

Charge up in the great outdoors. Bring USB charging and traditional power to outdoor areas. These elegantly designed pedestals include a combination of standard power outlets, USB outlets and LED lights to illuminate pathways at night.

Outdoor Power Pedestal

Permanent outdoor power doesn't have to fall short. Every facility needs power access outside, whether it's for events or maintenance equipment. The Outdoor Power Pedestal is designed specifically for outdoor use and high amperage applications, accommodating 15-60A electrical devices.

Pop Up Tower

The Pop Up Tower allows for convenient access to power and charging while remaining hidden when not in use. The top cap of the tower pops up when pushed in and can be pulled up and locked in the open position, revealing two tamper-resistant outlets, a USB-A port, and USB-C port.

Dash™ Power Tower

The dash Power Tower supplies your space with convenient access to power and charging in a slim, modern design. A standard, ready to-purchase offering is provided as a 36" power tower with two outlets and two combo USB A/C ports, available in graphite or white finishes to compliment your interior space.

Dash™ Desktop Power Center

The dash Desktop Power Center provides configurable and convenient access to power and data. Custom configurations can be designed to meet the individual needs of a workspace with options for tamper-resistant 15A outlets, USB-A/USB-C ports, and a blank keystone module for data or A/V connectivity. Available in white or graphite finishes.

Power and Charging Solutions for Furniture

Every commercial space needs a solution for providing power. By adding power and charging options, you can create the inviting, productive space that everyone craves. Stylish, easy-to-install options from Legrand give you the power you need without disrupting your space design or breaking your budget. **radiant Furniture Power Centers** are sleek, modern and functional, bring together traditional power, USB charging and switching. **Round Furniture Power Centers** offer all the power and charging that you need in a small, flush design that blends right in. Perfect for tables and upholstered furniture, these easy-to-install units bring people the convenience of outlets and USB charging ports

Sit/Stand Desk Power

The demand for height-adjustable desks is ever-increasing, as more employees crave a flexible solution where they can take a break from sitting. Add easy power and charging to these desks and tables with a flexible power solution.
